

Healthy Cats

General recommendations and starting amounts I use:

HRP-C Extract- 4 drops per day for 2 weeks

-Take on an empty stomach

-Take every 3-4 months as a preventative and immune builder

Bifidophilus Flora Force- ½ capsules per day for 2 weeks

-Mixed in food or licked right off your finger as a treat

-After two weeks give ½ capsules 2-3 times per week consistently

Further Support:

Black Walnut Extract- 2 drops per day for 1 week

-Take on an empty stomach

-Take every 3-4 months to help eliminate parasites

****Determine what is best for your cat**

****Use a dropper to insert extracts into cat's mouth**

****For kittens, start with the HRP-C extract and Bifidophilus Flora Force (half the amounts listed)**

****Want to go a step further? Ask about the right kind of oils your cat needs.**

*****Need help for those little odors, stains, or messes? Nature's Sunshine Concentrate and Nature's Fresh are amazing safe and environmentally friendly options!**

*****Ask us about support for wounds and skin conditions**

“Super Foods” for Dogs

General recommendations and starting amounts I use:

Nature's Gold Level I- ¼ tsp. added to the dog food once per day

Bifidophilus- ½ capsule per day

-Great taste dogs love so just give as a treat in the evening

Liquid Chlorophyll- ½ tsp. in roughly 2 cups of water

****Determine what is best for your dog**

****These are base amounts for small to medium sized dogs**

****Large dogs may need up to double the amounts**

****Want to go a step further? Ask about the best form of antioxidants that your dog needs.**

*****Need help for those little odors, stains, or messes? Nature's Sunshine Concentrate and Nature's Fresh are amazing safe and environmentally friendly options!**

*****Ask us about support for wounds and skin conditions!**

Healthy Horses

General recommendations and starting amounts I use:

KB-C- 8 per day for two weeks

Art A- 8 per day for two weeks

****Determine what is best for your horse. These are the basic starting amounts for horses and can definitely be increased to help support specific conditions.**

****As a maintenance take this program every four months.**

****Capsules can be inserted into food or treats. Many have had success mixing them with molasses.**

****Looking for additional support? Consider the special Nature's Sunshine Glucosamine and Chondroitin for cartilage repair, improved joint function, and connective tissue support. Nature's Noni is also great for building immunity.**

*****Need help with odors, stains, or messes? Nature's Sunshine Concentrate and Nature's Fresh are amazing safe and environmentally friendly options!**
